

MARKED-UP COPY OF AMENDED CLAIMS:

16. (Amended) An adjustable extension arm for mounting an electronic device thereto, said extension arm comprising a forearm extension having an internal elongated channel opening upward and extending between first and second ends of said forearm extension, ~~a device mounting assembly for mounting an electronic device to said second end of said forearm extension,~~ a first endcap having a first end to which said first end of said forearm extension is rotationally mounted, said first endcap including an opening extending therethrough in communication with said internal elongated channel within said forearm extension, a second endcap attachable to a support structure, a nested pair of elongated members forming an internal elongated channel therein, one common end of said elongated members pivotably attached to said first endcap and another common end of said elongated members pivotably attached to said second endcap, wherein said extension arm has a cable pathway through said opening extending through said first endcap and said internal elongated channel within said forearm extension.

Application No. 09/776,355

REMARKS

An action on the merits of all claims pending in this application is respectfully awaited. If there are any fees to be incurred in connection with this Preliminary Amendment, the Examiner is authorized to charge Deposit Account No. 12-1095.

If, however, for any reason the Examiner does not believe that such action can be taken at this time, it is respectfully requested that he telephone applicant's attorney at (908) 654-5000 in order to overcome any objections which he might have.

Respectfully submitted,
